

2018-2019 Child Care Verification

A Child Care Verification is a request to increase your student budget or cost of attendance due to additional costs that are not a part of your basic Financial Aid University of California, Riverside student budget. These costs must be incurred during your period of attendance at the University of California, Riverside for the current academic year. You must be a current, registered University of California, Riverside student to apply for Child Care expenses consideration. If your request is approved, the Financial Aid Office will add the additional costs to your budget and cover them with student loans, based on availability of funds.
